Safeguard your iPad from theft

Two stand setting for easy viewing or typing

The iPad is revolutionizing how we interact with technology, share entertainment and connect with friends and family. It's easy to take anywhere for work or pleasure, but it's also a valuable item that you wouldn't want to leave unattended. Now you can carry it with more peace of mind, by using CTA Digital's Anti-Theft Case with Built-In Stand for iPad, iPad 2 & the new iPad. The heavy duty ABS case is padded with foam for impact resistance, protecting your tablet from bumps or scratches, and locks together with a 78" galvanized twisted steel core & PVC coated security cable allowing you to lock up your iPad anywhere that you can safely fasten it to while you step away. When you're ready to take the iPad somewhere else, simply use the included key and release the lock. This is ideal for offices, schools, dormitories and other public areas where you might take your iPad and leave it momentarily. This protective case also features a very useful and practical built-in stand, which provides multiple levels to comfortably view and enjoy your Apps in either landscape or keyboard orientation. It can also easily be switched to a vertical portrait position with the built-in mini-stand. So, comfortably enjoy taking your iPad anywhere, worry less about losing it and protect it from thievery or damage by using CTA Digital's Anti-Theft Case with Built-In Stand for iPad.
